THE MESSAGE

Please co-sponsor H.R. 874, the Delahunt-Flake bill "To allow travel between the United States and Cuba."

This bill introduced by Rep. Delahunt (MA-10) and Rep. Flake (AZ-6) calls for lifting travel restrictions to Cuba for ALL Americans, restoring our right as citizens of the United States to travel freely, and takes a giant step toward restoring our country's reputation in Latin America and the world.

Thank you for your support in ending this inhumane and out-dated travel ban. To co-sponsor H.R. 874 please contact either Cliff Stammerman in Rep. Delahunt's office or Chandler Morse in Rep. Flake's office.
