

HAITI: Hope for the New Generation

As a benefit for the SOPUDEP School in Haiti, Bay Area journalist and filmmaker **Kevin Pina** will report on the situation in Haiti since the 2004 coup d'état as documented in his latest version of "Haiti: We Must Kill the Bandits."

Kevin's guest will be Rea Dol, who founded SOPUDEP School in 2002 for the children of the poor in Port-au-Prince. Ms. Dol will present the fragile success story of the school, where children in grades K-12 are being educated on the property of a former military official of the Duvalier dictatorship.
